CDMP TYPE I (New Law & Amendment) – Fundamental Process Flowchart

Approved: June 20, 2016 by MCED # 25/2016-2017

PHASE I

Preparation & Information Dissemination

Request for legislation or amendment to existing legislation received by KLCC and sent to MCK Legal Services for categorization*

KLCC Informs Council & Community of Proposed Legislation

Law categorized & confirmed at a duly convened Council meeting. Chief and Council assigns Unit (Technician) & Portfolio Chief(s) while Legal Services assigns Lawyer. This forms the Technical Drafting Committee (TDC) who is responsible for the Front End work/research.

Community Stakeholders Consultation(s)

Mandate given by community & three community representatives selected to be on the TDC

Law drafted using input from Community Stakeholders Consultation

Political Assessment of Law done by Council through OCC

Draft law posted (www.kahnawakemakingdecisions.com) for 30-day feedback period

TDC Hearings begin

OUTCOME:

Requirements Developed then posted on

www.kahnawakemakingdecisions.com

Chief(s)

First Hearing

PHASE III

Enactment

Enactment

Legislative Session

OUTCOME:

Law or

amendment to the

Law is enacted

through MCR

"Confirmation of

the Will of the

People" signed

Law is published

Draft Law reviewed

Community members engaged in discussion &

30-day review period with simultaneous

Legal review completed

Implementation/Operational/Financial/Legal Plan

"Certification of Process" signed by KLCC Coordinator, Community Representative(s), Technician & Portfolio

There are two slightly different processes for Type I Laws; one for New Laws and one for Amendments to existing laws.

^{*}Note that Amendments are not sent to MCK Legal Services for categorization. Only New Laws are categorized by MCK Legal Services.

^{**}The Scope of amendments will be determined by the TDC and not by the community.
