

CDMP TYPE I (New Law & Amendment) – Fundamental Process Flowchart

Approved: June 20, 2016 by MCED # 25/2016-2017

There are two slightly different processes for Type I Laws; one for New Laws and one for Amendments to existing laws.

**Note that Amendments are not sent to MCK Legal Services for categorization. Only New Laws are categorized by MCK Legal Services.*

***The Scope of amendments will be determined by the TDC and not by the community.*
