### PREAMBLE

We are the Kanien'kehá:ka of Kahnawà:ke. We are a community within the Kanien'kehá:ka Nation and the Rotinohsonni'ón:we and as such are Onkwehón:we who possess a fundamental and inherent right of self-determination given to us by the Creator.

As Onkwehón:we, we have the right to maintain and promote our Kanien'kehá:ka identity including our culture, traditions, language, laws and customs.

As Onkwehón:we, we have the collective right to determine our own membership. This right is fundamental to our survival.

Our rights as Onkwehón:we have been affirmed in the Two Row Wampum, and have been recognized in other treaties we have entered into with foreign governments and in international covenants and declarations, such as in the United Nations Declaration on the Rights of Indigenous Peoples.

We have consistently and historically asserted both our rights as Onkwehón:we and the rights set out in our treaties with foreign governments. These rights cannot be extinguished, diminished or affected without our consent.

We have consistently and historically exercised the right to determine our own membership. In recent times, we have been compelled to adopt measures that were necessary to ensure our continued survival as a Kanien'kehá:ka community.

This Law is another link in the unbroken chain of our historic struggle to survive as Kanien'kehá:ka of Kahnawà:ke. This Law is the result of a lengthy period of discussion and consultation within our community. It is an expression of the will of the Kanien'kehá:ka of Kahnawà:ke and is intended to reflect the values and principles described by the Elders of our community in their statement on membership: Entsitewaháhara'ne.

This Law is an affirmation of our Indigenous and Treaty rights. This Law is essential if we are to survive and to thrive as Indigenous Peoples and as Kanien'kehá:ka of Kahnawà:ke.

The rights on which this Law is based are collective rights belonging to the Kanien'kehá:ka of Kahnawà:ke. However, the application of this Law will respect the fundamental human rights of all individuals in accordance with the principles of dignity and compassion inherent in Kanien'kehá:ka culture, values and Traditional Law.

This Law is not intended to take away or diminish any and all rights of the People of the Kanien'kehá:ka Nation or the Rotinohsonni'ón:we.

This Law is a step toward the goal of completely replacing foreign laws and authorities that have been imposed upon us without our consent and toward the restoration of Traditional Law within Kahnawà:ke.

This Law is a declaration of our resolve to unite our strengths to achieve this common goal and by this measure we will strive to ensure the peace and security of future generations of our People and our Territories.

We recognize that we have been harmed by foreign governments' attempts to undermine our will and ability to survive by dividing our community. We reject the imposition of the Indian Act and of other foreign laws that have presumed to define the principles upon which the membership of our community will be determined. We reject all efforts to assimilate and extinguish our community under the guise of absolute individualism.

By enacting this Law, we are fulfilling our responsibility to defend our community and our Nation from external threat, and in doing so are securing for future generations the right to survive and to continue living – proudly – as Kanien'kehá:ka of Kahnawà:ke.
