ITEM	DESCRIPTION
1. ROC August 13/14	Please review and send any changes by tomorrow @ 4:00 p.m. as they will be finalized at that time.
2. File Updates	<p>Justice: Ron reported that he is on a partial-medical leave until the end of October 2014. The Executive Summary and Financial Implementation Plan should be completed within two – three weeks then brought for Council Discussions. Future development of a KCR Justice.</p> <p>KFHL (MRI): Second & Final Hearing scheduled September 4, 2014 from 6:00 p.m. – 8:30 p.m. @ Golden Age Club. Agreement of having one group at Hearing. MCK Communications team will film Hearing.</p> <p>Action: Send KLCC reminder notice of upcoming MRI Hearing</p> <p>Tobacco: The Feedback period was extended to August 29, 2014. According to the MCK/KTA Working Group’s work plan, they will be meeting with the other stakeholders (Tewatohni’saktha, Kahnawà:ke Education Center, Post-Secondary/Youth & Environment) up until the end of August.</p> <p>The MCK/KTA Working Group met with Onkwatah’karitáhtshera on August 7, 2014. Onkwatah’karitáhtshera agreed to prepare five questions for the Working Group and asked that they return next month to respond to their questions.</p> <p>A general delivery flyer went out to the community at the post office from the KTA. That action is in direct contradiction of the MOU because anything put out must be done jointly.</p> <p>Action: Leslie to contact Technicians to remind them about complying with the MOU and working jointly before issuing any information to the public.</p> <p>Elections: Trina C. Diabo (Technician), will be setting up a kiosk to gauge the community on: Do you agree to reduce the number of Chiefs from 12 to 9?</p> <p>Action: Leslie to contact Trina to set a date in September for the Election Law Hearing.</p> <p>Membership: The First Hearing will be held after the drafting of the law is complete and posted online to receive community feedback for a 30-day period. There needs to be an aggressive CDMP meeting schedule two or three times a week with the community to discuss the proposed changes.</p>

4. Strategic Planning	<p>Revised CDMP for Community Feedback: Suggestion to have a mass mail communication as a reminder to educate before attending the meetings. They can be sent via post office, in local stores, and in the town public-sac. Attendees need to educate themselves before they attend meetings so they have an idea of what is going on.</p> <p>Action: Leslie to compile the information and raw data on the CDMP in report form, present to KLCC before submitting to Council Discussion.</p>
5. Other	<p>CDMP PowerPoint Presentation on Consensus: The purpose of the PowerPoint was to show how consensus would be explained at the upcoming hearings, as the question was raised by the MCK/KTA meeting at the last meeting. This is KLCCs responsibility and as was done in the past, consensus was briefly explained by Kahente and KLCC to show how decisions would be made within each group during all CDMP hearings.</p> <p>Action: Leslie to implement suggested changes.</p>
