2. FILE UPDATE REVIEW/DECISION	<ul style="list-style-type: none"> • Rescinding Laws and KLCC's role –Kevin Discussion concerning the process, if any, for rescinding or repealing laws. There is the possibility that a request will be made to repeal a law and it is unclear what role, if any, the KLCC would have in such a matter. The KLCC Mandate and Manual do not include such actions. <p>It was discussed whether the KLCC should have a process to handle all aspects of rescindments, repeals, replacement. Currently no process exists. Suggestion: Schedule KLCC meeting to develop criteria for rescinding/repealing laws then bring to Council Strategic Discussion to determine KLCCs role.</p> <ul style="list-style-type: none"> • Status of CDMP Procedural Manual – Kevin/Leslie/Kahsennenhawe <ul style="list-style-type: none"> ○ Updated process flow charts – approval Perhaps the CDMP Procedural Manual should be completed with all of the details before flow charts are decided upon. The charts are intended to be a snapshot. There should be deliverables or bench marks to indicate the end of the First Hearing and what starts the Second Hearing. Type I Flow chart: First Hearing: The draft law is reviewed. The community debates and discusses the law presented within the purpose, scope and mandate established in Phase I. A Declaration of Conclusion of the First Hearing is made (by the head of the KLCC). Second Hearing: A 30 day review period to determine: "did we get it right?" Phase III is good. Type II Flow chart: Phase I and II: Replace 15 days with 30 days to prevent confusion and to provide enough time for review Council ratifies law is removed from Phase II. Confirmation of the will of the people stays at the end of phase III. <ul style="list-style-type: none"> ○ Regulation Procedural Manual (as an addendum) <ul style="list-style-type: none"> ▪ Process Guidelines (how to consult) ▪ Regulation Drafting Guideline ▪ Update on SOD assistance – development of Regulation process – Jean The SOD update email was briefly mentioned at the start of the meeting. The definition of a Kanien'kehá:ka Great-grandparent was not concluded. There was a lot of discussion surrounding blood quantum in light of Kanien'kehá:ka lineage. A chart is to be prepared by Membership to show the impacts of using 25%, 30% and 50% blood quantum to determine who is a Kanien'kehá:ka Great-grandparent. There was a reported outcry concerning a decision that had been made at the meeting held on March 8th. KLCC unanimously decided that the decision stands. • Tobacco Law – Kahsennenhawe/Joe/Dale A brief update of Tuesday's Tobacco CDMP was presented. There was a proposal to hold KML/Tobacco CDMP hearings 2 weeks on and 1 week off. So the next Tobacco hearing would be the week of the 25th. There was a question about this law going through the urgent process; therefore there is only one hearing. • Election Law – Kevin Deferred
