PRESS RELEASE

Recap of *Kahnawake Cannabis Control Law* First Hearing

For immediate release

(Kahnawake – 27, Seskehkó:wa/September 2018) The Kahnawà:ke Legislative Coordinating Commission (KLCC) would like to inform the community on the outcome of Tuesday evening’s First Hearing for the Draft *Kahnawà:ke Cannabis Control Law*

The agenda included:

- Overview/review of the draft Kahnawà:ke Cannabis Control Law
- Opportunity for Questions/comments
- Declaration of Conclusion

Once the overview/review was completed, it became apparent that many of those present expressed concern regarding the amount of consultation that took place on the draft Law. Additionally, several spoke on the issue of the Law being categorized as a Type 2 (regulatory in nature). At the end of the meeting it was suggested that a referendum be held to answer the question on whether the **sale** of cannabis should be allowed on the Territory. The suggestion was supported by many of those present and will be brought back to Chief & Council for further discussion/deliberation.

The meeting took place at Karonhianóhnha School.

The draft Law is available for viewing at (www.kahnawakemakingdecisions.com).
