PRESS RELEASE

KLCC announces name changes

For immediate release

(Kahnawake – 24, Kentenhkó:wa/November 2022) The Kahnawà:ke Legislative Coordinating Commission wishes to announce that over the past months, it has updated and revised certain names/titles.

First, the Kahnawà:ke Legislative Coordinating Commission has removed the word "Coordinating" from its title since the Commission itself is not responsible for coordinating legislative activities and is now the Kahnawà:ke Legislative Commission (KLC).

Second, a distinction needed to be made between the Commission itself and the legislative office and its staff. Therefore, the legislative office will now be called Kahnawà:ke Legislative Services (KLS).

Finally, the KLC has revised the name of the Community Decision Making Process (CDMP). It will henceforth be referred to as the Community Decision Making and Review Process (CDMRP) to reflect the difference between the Type I Process (*whereby the community approves the mandate, purpose, and scope for laws*), and the Type II Review Process (*whereby the Council of Chiefs approves the mandate, purpose, and scope for laws*).
